

Tuesday Talks

brought to you by the Caregivers Center

Cancer Rehabilitation and Educational Series for Caregivers

Please join us for our mini-series of educational workshops, a program of the Caregivers Center, geared towards managing cancer rehabilitation. This series will address the needs of both patient and their caregiver dealing with cancer rehabilitation. Each workshop will be streamed for approximately 30 minutes, once a month on Tuesday via our Facebook page: Facebook.com/PeconicBayMedicalCenter.
